

Logos International School Parent Quick-Guide

Welcome to Logos International School (LIS)! We are so glad to have you! We highly encourage you to read through the most recent LIS handbook, but until then, this quick-guide should get you started.

**** LIS is a Christian educational institution** that utilizes the Bible as the cornerstone of its curriculum and as the foundation of the LIS community. Please be aware that your child(ren) will be taught from this perspective.

MISSION: Logos International School is dedicated to academic excellence in providing a well-rounded, quality, Christian education to students from all ethnic and socioeconomic backgrounds. Upon graduation, students will be equipped to view all aspects of life from a biblical perspective, to serve and help transform their communities for Christ, and to pursue further education.

VISION: Every student is a spiritually maturing, academically equipped, and socially responsible individual.

MOTTO: A heart for Christ, for Truth, and for the World.

Be looking in the Wednesday Update for meeting dates, times, and specific ways to volunteer around campus! You may contact the LPA President with any questions at lpa@logoscambodia.org

Payments after the 10th of the month will be assessed a 10% penalty fee. (See LIS Handbook for details.)
